NORCAL FPO 13TH ANNUAL GOLF TOURNAMENT
 PARADISE VALLEY GOLF COURSE
 FAIRFIELD, CA - FRIDAY, SEPTEMBER 22, 2023

ABOUT US – NORCAL FPO

Our Mission is to promote the protection of life, property, and the environment from effects of fire and other hazardous events through education, engineering, and enforcement.

Formed in the early 1950s, the Northern California Fire Prevention Officers Association (NorCal FPO) is one of seven working sections of the California Fire Chiefs Association (CFCA) and has more than 300 members.

AARBF AND FFBI

The Alisa Ann Ruch Burn Foundation (AARBF), a 501(c)(3) nonprofit organization, enhances the quality of life for burn survivors and promotes burn prevention education in our communities.

For nearly 40 years, AARBF has worked with local hospitals, fire departments, safety coalitions, and other organizations across California to develop innovative programs and services. Prevention education is a key to avoiding agonizing burn injuries and AARBF's survivor services programs are vital to improving the quality of life for courageous burn survivors in California. For more information about the Alisa Ann Ruch Burn Foundation, please visit www.aarbf.org.

The Firefighters Burn Institute (FFBI), a 501(c)(3) nonprofit organization, was founded by Sacramento Fire Captain Cliff Haskell and the Sacramento Area Firefighters Local 522 in 1973 for the purpose of establishing a local burn treatment facility; providing recovery programs for burn survivors; providing fire and burn prevention through public education; funding education for burn team professionals, firefighters and burn survivors; and supporting burn treatment and rehabilitation research. For more information about the Firefighters Burn Institute, please visit www.ffburn.org.
